Psychology and Morals: An Analysis of Character (Psychology Revivals)

J. A. Hadfield

Psychology and Morals: An Analysis of Character (Psychology Revivals) J. A. Hadfield

Originally published in 1923, this book had enjoyed constant and wide success, being reprinted fourteen times. In this new and thoroughly revised edition, published in 1964, the author has reconsidered his conclusions in the light of modern psychology of the time, and includes many case histories from his long experience as a psychiatrist. The book was important for its insistence that there is no intrinsic conflict between analytical psychotherapy and ordinary moral behaviour.
