Themes of Peace in Renaissance Poetry

James Hutton

Themes of Peace in Renaissance Poetry James Hutton

Accomplished and broad in scope, this book treats a significant but neglected Renaissance poetic genre; the encomium to peace. Each of the poems that James Hutton considers -- some 150 in all--draws upon these same fund of conventional themes and is based upon a common rhetorical tradition. But each is adapted to its historical moment. Hutton reviews the conventions and then describes and accounts for significant individual variations.
