You've seen him strutting across the green, knowing full well every eye is on him. College guys are the stuff of fantasies but there are those who rise to the head of the class, the "big man on campus" who is like a greek god with his bulging biceps, six pack abs, and legs that go on for miles. These dreamy hunks stride across campus, inciting lust with every step. Whether showering off after soccer, posing in the library stacks, or engaging in some male bonding at the fraternity house, these gorgeous lads and grads are good for arousing action.

An enticingly explicit collection of gay erotica, *Big Man on Campus* explores the first lust for another boy, all-night study sessions with a classmate, and the excitement of a student hot for teacher. This steamy collection relishes the joys of self-discovery and the revelations that happen when a young man has the freedom to pursue his interests - in bed and out. From coming out to falling in love, these stories of sexual awakening will evoke trembling, heart-pounding, sweaty-palmed excitement. The editor himself gets the frat party started with a true confession of his own campus encounter.
