Glen I. Earthman

## **Planning Educational Facilities for the Next Century** Glen I. Earthman

This book takes a systematic approach to planning educational facilities, discussing in detail each phase of the process of planning capital projects and the responsibilities of those in the schools who make decisions regarding the buildings in which students learn. The book also speaks to the moral responsibility of educators to ensure students are in safe, functional, and efficient structures. *Planning Educational Facilities for the Next Century* covers it all, from planning, to hiring the architect, to managing the construction phase.
