Wiseguys In Love C. Clark Criscuolo

You think you've got problems? You could be Michael Bonello, a nice guy who dropped out of law school only to be inducted against his will into the neighborhood mob. Michael really isn't very good at the whole wiseguy thing--you can't be a proper hit man when your mother insists upon setting a curfew and hiding your bullets.

You could be Lisa Johnson, a wholesome midwestern girl adrift in New York City, who gets mixed up with would-be mobster Michael and his Mafia entourage. Worse, you could accidentally shoot a marked man and set off a madcap chain of events that throws you into car chases, embroils you in assassination attempts, and gets you kidnapped by a gangster who wants to introduce you to his mother. Your social life could be a big hit, in more ways than one.

In this high-spirited and witty first novel, C. Clark Criscuolo wins hearts with a tale of disorganized crime. Take *When Harry Met Sally*, add a heaping helping of *The Godfather*, and the result is a wickedly funny, charming, and ever-so-slightly sinister romp through the high life and the low life of New York--where love is murder and the Mafia is the matchmaker.
