Molly Moon is back! Not only can she hypnotize anyone who crosses her path, travel through time and read minds, now she has a new power: morphing! From human to animal and back again, Molly must find her way back to her own body—and save the world while she’s at it—before it’s too late. In this fifth book in the wildly popular Molly Moon series, Molly is braver than ever before. Fans of Molly will once again be mesmerized by her wit, charm and grand adventures. It’s no wonder that Publishers Weekly asks, “Can there ever be too many Molly Moons?”
