The Apocrypha (Oxford Bible Commentary) Martin Goodman, John Barton, John Muddiman

The Oxford Bible Commentary is a Bible study and reference work for 21st century students and readers that can be read with any modern translation of the Bible. It offers verse-by-verse explanation of every book of the Bible by the world's leading biblical scholars. From its inception, OBC has been designed as a completely non-denominational commentary, carefully written and edited to provide the best scholarship in a readable style for readers from all different faith backgrounds. It uses the traditional historical-critical method to search for the original meaning of the texts, but also brings in new perspectives and insights - literary, sociological, and cultural - to bring out the expanding meanings of these ancient writings and stimulate new discussion and further enquiry.

Newly issued in a series of part volumes, the OBC is now available in an affordable and portable format for the commentaries to the books of the Apocrypha. Includes a general introduction to using the Commentary, in addition to an introduction to study of the Apocrypha.
