## **The Internet Is Not the Answer** Andrew Keen

Since its creation during the Cold War, the Internet, together with the Web, personal computers, tablets and smartphones, has ushered in one of the greatest shifts in society since the Industrial Revolution. The Digital Revolution has contributed to the world in many positive ways, but we are less aware of the Internet's deeply negative effects.

*The Internet Is Not the Answer*, by longtime Internet skeptic Andrew Keen, offers a comprehensive look at what the Internet is doing to our lives. The book traces the technological and economic history of the Internet, from its founding in the 1960s through the rise of big data companies to the increasing attempts to monetize almost every human activity. In this sharp, witty narrative, informed by the work of other writers, reporters, and academics, as well as his own research and interviews, Keen shows us the tech world, warts and all.

Startling and important, *The Internet Is Not the Answer* is a big-picture look at what the Internet is doing to our society and an investigation of what we can do to try to make sure the decisions we are making about the reconfiguring of our world do not lead to unpleasant, unforeseen aftershocks.

### From reader reviews:

#### **Alice Walker:**

What do you think of book? It is just for students since they are still students or that for all people in the world, what the best subject for that? Just simply you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book The Internet Is Not the Answer. All type of book would you see on many options. You can look for the internet methods or other social media.

#### **Dolores Young:**

Book is to be different for every grade. Book for children right up until adult are different content. As we know that book is very important normally. The book The Internet Is Not the Answer was making you to know about other information and of course you can take more information. It is very advantages for you. The e-book The Internet Is Not the Answer is not only giving you more new information but also for being your friend when you really feel bored. You can spend your current spend time to read your guide. Try to make relationship with all the book The Internet Is Not the Answer. You never sense lose out for everything in the event you read some books.

#### **Fred Nelson:**

Do you like reading a reserve? Confuse to looking for your best book? Or your book ended up being rare? Why so many problem for the book? But just about any people feel that they enjoy to get reading. Some people likes studying, not only science book but in addition novel and The Internet Is Not the Answer or maybe others sources were given knowledge for you. After you know how the truly great a book, you feel desire to read more and more. Science publication was created for teacher or students especially. Those textbooks are helping them to put their knowledge. In other case, beside science publication, any other book likes The Internet Is Not the Answer to make your spare time more colorful. Many types of book like this one.

#### **Timothy Wingo:**

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Internet Is Not the Answer can make you truly feel more interested to read.
