The Storm (NUMA Files series Book 10)

Clive Cussler, Graham Brown

The Storm (NUMA Files series Book 10) Clive Cussler, Graham Brown

The thrilling new novel in the *New York Times* bestselling Kurt Austin Adventures...

In the middle of the Indian Ocean, a NUMA research vessel is taking water samples when a crew member spots a patch of black oil ahead of them. But the substance is not oil.

Like a horde of army ants, a swarm of black particles from the spoiled sea suddenly attacks, killing everyone aboard while the ship goes up in flames.

A few hours later, Kurt Austin and Joe Zavala are on their way to the Indian Ocean. What they find on the smoldering hulk of the ship will eventually lead them to discover the most audacious scheme they have ever encountered: a plan to permanently alter the weather on a global scale. The insidious plot will kill millions...and it has already begun.

From reader reviews:

Bonnie Skelton:

Reading a reserve tends to be new life style within this era globalization. With reading through you can get a lot of information that could give you benefit in your life. With book everyone in this world may share their idea. Guides can also inspire a lot of people. Many author can inspire their very own reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their talent in writing, they also doing some exploration before they write for their book. One of them is this The Storm (NUMA Files series Book 10).

Tracy Gardiner:

Why? Because this The Storm (NUMA Files series Book 10) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will distress you with the secret this inside. Reading this book adjacent to it was fantastic author who write the book in such incredible way makes the content interior easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the reserve store hurriedly.

Margaretta Lee:

With this era which is the greater person or who has ability in doing something more are more special than other. Do you want to become considered one of it? It is just simple method to have that. What you must do is just spending your time almost no but quite enough to possess a look at some books. Among the books in the top record in your reading list is definitely The Storm (NUMA Files series Book 10). This book which can be qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking upward and review this publication you can get many advantages.

Emily Scott:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many problem for the book? But any people feel that they enjoy to get reading. Some people likes reading, not only science book and also novel and The Storm (NUMA Files series Book 10) or maybe others sources were given information for you. After you know how the truly amazing a book, you feel would like to read more and more. Science reserve was created for teacher as well as students especially. Those textbooks are helping them to increase their knowledge. In different case, beside science guide, any other book likes The Storm (NUMA Files series Book 10) to make your spare time considerably more colorful. Many types of book like here.
