What I Wish I'd Known Before I Got Married Kay Coles James

Building a marriage is a lifelong endeavor for both men and women. Most marriage books cover the three C's--communication, compromise, and consideration -- but fail to address many issues critical to a healthy relationship. Family advocate Kay James calls these the "things I wish I had known before I got married": advice on finances, sex, children, and dealing with the extended family. Noting that the apostle Paul exhorted older women not to inspire or counsel younger women, but to teach them how to be wives to their husbands, Kay offers a lifetime's wealth of wisdom for creating an unbreakable marriage relationship.
